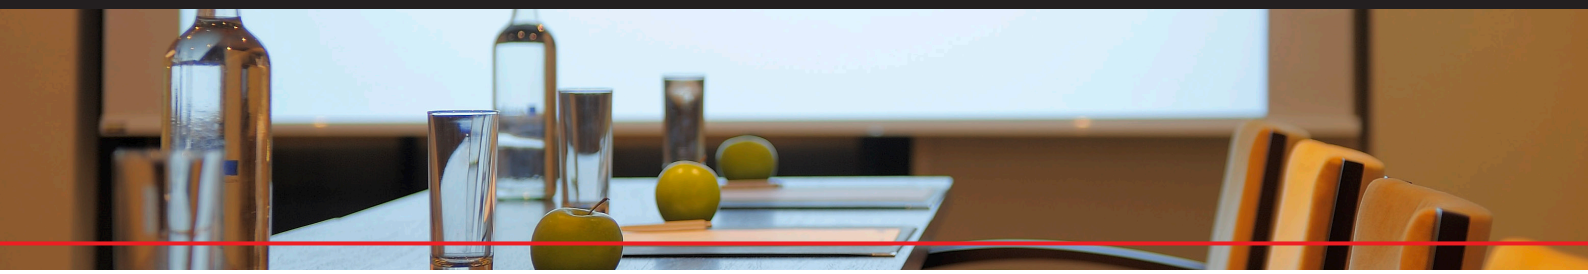
RADISSON BLU HOTELS & PARK INN BY RADISSON ...

... GO GREEN!



Because your meetings should be sustainable - also for the environment.

Since 2001 the Rezidor Hotel Group makes different efforts in regards to the environment and social responsibility as part of their Responsible Business Programm. Choose the Green Point and contribute to the environment by helping disadvantaged people.

CHF 6 per person (extra charge in addition to your daily delegate rate)

- We use eco-friendly materials for your meeting: pens and boardmarker made out of recycling material and without Butylacetat, Tolouol & Xylol, writing material and flipchart paper which are FSC certified or non-chemical bleached
- For your food and beverages we consider mainly local suppliers
- Seasonal fruit snacks will be offered in the meeting room
- We donate CHF 1.00 per Green Point Daily Package to the World Childhood Foundation, which strives to improve living conditions for endangered and poor children around the world.

The World Childhood Foundation was founded by Queen Silvia of Sweden. The foundation's intention is to care globally for better living conditions for endangered, poor and exploited children and to support related relief projects. The Rezidor Hotel Group, amongst others with its brands Radisson Blu and Park Inn by Radisson, supports the foundation as Global Partner since 2007.

Products, which get the FSC certification, are made according to globally valid standards for a environmentally and social compatible as well as economic acceptable forest management. (FSC = Forest Stewardship Council)
