## Welcome! – Üdvözöljük!

Park Inn Sárvár built in 2006 with modern design is located in one of Hungary's most picturesque towns. This area is in the heart of the world-famous spa region to the west of the River Danube. The stunning landscape of forests and meadows, rushing streams and rivers has a unique charm and it is an ideal destination whether you are looking for sport or relaxation.

Sárvár can be reached by car in two hours from Vienna, Graz and Bratislava, and in three hours from Budapest. Sármellék airport at Lake Balaton is about 90 minutes' drive away.

Sárvár has a rich collection of cultural and architectural monuments and is renowned for the beneficial and regenerative effects of its thermal water.

Golfing enthusiasts can practise their swing on the 18 hole championship golf course in Bük just 20 kilometres away.

...the hotel has a direct connection to the modern therapeutic and health spa, merging harmoniously into the other buildings thanks to the airy appearance created by its room-high windows.

## Rooms

The hotel has 223 rooms, including modern family and business suites. Most of the rooms have a private, furnished balcony. A wide range of amenities including individually-controlled air conditioning, high speed internet access, satellite TV with radio, safe and a telephone guarantee a pleasant stay.

...the hotel's friendly atmosphere is emphasised through the Park Inn colour scheme, which provides distinctive decoration throughout the different corridors and guest rooms.

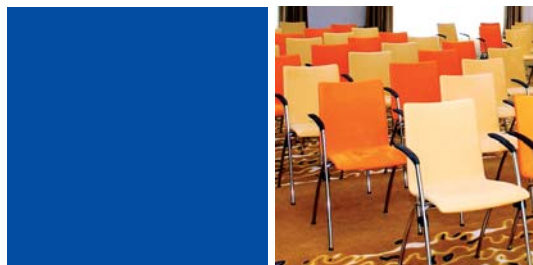

## Events
